

PLF Fundraising Guide

Ponheary Ly Foundation

Thank you for your interest in becoming an advocate and a voice for Ponheary Ly Foundation.

Your endorsement means more than you might imagine. There are people in your personal and business networks who wish to support organizations like Ponheary Ly Foundation. We've seen people raise thousands of dollars with very simple fundraising campaigns within their families and communities. This kind of effort is the difference between kids getting an education or living a life in the fields or on the streets.

Your firsthand account of your experience as a PLF volunteer is incredibly powerful in helping raise awareness and funding for the Ponheary Ly Foundation.

It's easy!

1. Go to our **Fundraising Page** (<https://www.mightycause.com/organization/Plf>)
2. Click the "Fundraise" button and set up your page!
3. Hint: Use your personal photos of your time spent volunteering with us when building your page or you may download media (images and video clips) from our **Facebook page** and **thePLF.org** website.
4. Tell your story. Keep it simple. Let your passion for the project and your own voice shine through.
5. Publish and spin it out into the universe like a great big net.
6. You have many opportunities throughout the year to invite your network to visit your Razoo page and contribute to your fundraising efforts. Special events such as holidays, birthdays and anniversaries are great times to reach out.

Please note: Your PLF Fundraising Page generates donations for the general fund which supports Cambodian children. The funds you raise come directly to the Foundation. You will receive an email notification each time a donation is made. The PLF cannot, by law, use donations from the public to fund the expenses of a volunteer. *If you are wishing to raise funds for your own adventure, we recommend using something like GoFundMe.com.*

If you have any questions about PLF advocacy or need help in creating a fundraising campaign, please contact us at donate@thepLf.org.

Answer.*

About the Ponheary Ly Foundation

Guided by a UN human rights approach, our goal is to promote access to quality education for children and youth across Northern Cambodia.

Ponheary Ly Foundation relies primarily on private donations and support. Together with the tireless work of local and international volunteers, your gifts are significantly improving the futures of these children by giving them access to meaningful education. Ponheary Ly Foundation is a registered organization in Cambodia, the USA, Canada and the UK.

Make secure recurring or one-time donations on our [website](#) or mail us a check. We will put your dollars to work. The right way.
