Students who wish to attend school in Cambodia cannot attend without a uniform, shoes and school supplies for the year. This keeps 75% of village kids from enrolling. Our mission is to collect the \$12 (per student) necessary to furnish these three essential items so these kids can join the ranks of the literate. Our main focus is on village children in grades 1-3. These kids may be 5 years old; they may be 10; if they've never been to school, we want to locate them and get them enrolled.

100% of your donation goes directly into the hands of those in need. The Ponheary Ly Foundation has zero administrative costs other than currency transfer and exchange.
